

Welcome back to the Raging Red Band Festival!

The Festival dates are March 3,4,5- 2026. As many of you know, we had 45 participating bands last year which added a half day to our schedule. We anticipate additional growth this year. The total number of bands allowed to perform will be 54. In order to accommodate this large number of bands, an additional site has been added for a third day. We were fortunate to have James Landman and Sheyenne High School agree to host the third day of the Festival. March 3 & 4 will be at NDSU and March 5 will be at Sheyenne High School in West Fargo.

The Festival format will be the same at both locations. The format will include clinic sessions by NDSU Faculty, Instrument displays, and guest performances by NDSU Ensembles. This will be in addition to your warm-up time, stage performance, and clinic session with an adjudicator.

If you have any questions please call:  
John Warren, Festival Manager.
